The screenshot displays the IBM Cloud Account management interface. The browser's address bar shows the URL `cloud.ibm.com/account`. The top navigation bar includes a search bar, a 'Catalog' link, a 'Manage' dropdown, and the user's name 'Pradeepa N R's Account'. A left-hand sidebar lists various account management options: Account, Account resources, Resource groups, Cloud Foundry orgs, Licenses and entitlements, Tags, Dashboards, Account settings, IBM Cloud Shell settings, Notification distribution list, Classic infrastructure, Subscriptions, Audit log, and Company information. The main content area, titled 'Account', features several tiles: 'Account settings' (with a gear icon and text about upgrading and redeeming discounts), 'Resource groups' (with a group icon and text about grouping resources), 'Cloud Foundry orgs' (with text about adjusting quotas and domains), 'Licenses and entitlements' (with text about assigning licenses), 'Tags' (with text about managing resources), 'Dashboards', 'Audit log', and 'Company information'. On the right side, a user profile dropdown for 'Pradeepa N R' is visible, containing links for Profile, Log in to CLI and API, Privacy, Change theme, and a Log out button.
